JUDGE CLAY ADDRESSES COUNCIL MEET

V. F. W. Present City With American Flag at Session

Sounding a note of praise for progress made through earnest effort, Judge Wade H. Clay last evening at council meeting paid honorable tribute to the present city administration and to the citizens of this community on completion of the new city hall.

"It gives me great pleasure," declared Judge Clay, "To behold this beautiful new building which will stand for many years as a sentinel of civic progress.

Old Glory Post, No. 2044, Veterans of Foreign Wars of United States and Old Glory Auxiliary, No. 2044, VFW, presented an American flag to the city on this first council meeting in the new city hall.

H. G. King, local committeeman for San Mateo County Day at the Fair, and Mayor Selmi reported on events Sunday at Treasure Island. The council instructed City Clerk Ross to write letters to Miss Rose's Juvenile Drill Team and Jeff Hi Indians of Rhythm commending their Sunday performances. Mayor Selmi also thanked other participants in Sunday's program.

Immediately preceding the council meeting, wall plaques at the entrance of the city hall were unveiled.

REV. DONOHUE RESIGNS FROM DUTIES

Has Served This Community Since 1926

The resignation of Reverend James P. Donohue from his duties as pastor of Our Lady of Perpetual Help church, an office he has held for nearly thirteen years, was announced this week. Failing health was given as the reason.

Father Donohue's career in the Catholic church has been a long and honorable one. Born in Cavan county, Ireland, Father Donohue took his early training with the Jesuit Fathers and later at St. Patrick's Seminary in Carlow, Ireland. He was ordained a priest in 1909.

Sent to the Catholic university in Washington, D. C., by Arch Bishop Riordan, Father Donohue distinguished himself in advanced studies. Appointed to the Arch Diocese of San Francisco, he served at St. Joseph's church, St. Peter's church, and St. Vincent De Paul church. In 1921 he was appointed pastor of St. Joseph church, Rio Vista, where he remained until late in 1925.

It was early in 1926 that Father Donohue assumed the responsibilities of pastor at the Catholic church in Daly City. Here he faced tremendous problems, which he overcame with courage and intelligence. Under his leader-

One Hundred And Forty-Six Students To Receive Diplomas

One hundred and forty-six students, the largest class in the history of Jefferson Union high school, will be graduated at the annual commencement exercises, tomorrow evening.

Beginning at 8 p. m., the program will open with the entrance of the graduates to the strains of Elgar's "Pomp and Circumstance," played by the high school orchestra. The invocation will be pronounced by Reverend James Sorasio.

Speakers

The address of welcome will be given by Eugene Doyle, followed by Alice Sanders speaking on "Youth Faces a Problem." Frank Ford will discuss "New Frontiers for Youth."

Following two numbers by the Jefferson Union high school chorus, "The Blind Plowman" by Clarke and the "Lord's Prayer" by Dies, Lucille Smith will speak on "Education and Democracy." Willard Mitchell will talk on "The Responsibility of Youth."

Main Event

Main event of the evening, the presentation of the class by James Ferguson, principal of Jefferson Union high school, and the conferring of diplomas by Remi Sanders, chairman of the Jefferson Union high school board of trustees, and Mrs. Stella Jensen, clerk, will follow.

Benediction will be pronounced by Reverend N. M. Lewis. Graduates will retire to the music of the Tannhauser march, played by the high school orchestra under the direction of Oscar Busch.

Honors

Six members of the graduating class, Lorraine Marie Day, Frank Ford jr., Joseph Peter Nicoletti, Gertrude Louise Poddig, Alice Ida Sanders, and Lucille Fay Smith, have won life memberships in the California Scholarship Federation, an honorary society in which membership is won through distinguished scholarship. Life membership is not awarded until the student has belonged to the federation for three years.

Other seniors who are members of Chapter 194, California Scholarship Federation, include Florence Rosella Anderson, Bonnie Busch, Marian Louise Dietrich, Eugene Charles Doyle, Willard Frank Mitchell, Edward W. Talbot, and Evelyn Elaine Taylor.

Four students, Peter Conci, Lorraine Day, Catherine Katch, and Frances Richards, have been neither absent nor tardy in their entire high school enrollment. This is particularly noteworthy in view of the fact that most of them live at least a mile from the school, and one of them, Frances Richards, lives in Bayshore.

Members of the board of education are Remi Sanders, chairman; Mrs. Stella Jensen, clerk; Mrs. Pearl Jones, Andrew Vireno, Edward Weisenburger, and James Ferguson, principal.

Ushers for the evening will be members of Chapter 194, California Scholarship Federation.

Jazz Band At Jeff High Gets Acclaim

Thursday night may mark the last public appearance of the famed "Indians of Rhythm," an organization which has perhaps done more than any other one group this year to keep Jefferson Union high school before the public.

Under the direction of its talented young leader, Dante P. Lembi, the modern high school dance orchestra will play a farewell engagement Thursday in South San Francisco at a dance following the installation of officers for Job's Daughters in Vista Grande school.

Three of the members, Gerald Robertson, Bob Nelson and Lawrence Bos, will appear on the Benny Walker radio program over Station KGO tonight, singing a specialty, "Wishing."

Major Engagements

Since February, these popular swingsters, most of whom will be graduated from Jefferson Union high school Wednesday, have played more than thirty major engagements in all parts of the Peninsula. Their latest triumph was a special appearance in the California ballroom on Treasure Island, Sunday, San Mateo county day, at the Exposition. They also played at the Senior ball Friday night.

Several members of the group have already made radio broad-

Daly City Has Very Low Tax Rate

Daly City has one of the lowest tax rates for incorporated cities in San Mateo county, according to Tax Rates and Valuations of Taxable Property of San Mateo County for fiscal year 1938-39, compiled by Edward M. Stack, county controller.

Tax rate here is only .80 for the old town and .77 for the new annex. Rates in other cities in the county range to nearly twice that amount.

Valuation of taxable property, including operative property in Daly City is $4,291,415, seventh from the highest of incorporated cities in the county. Population here according to conservative estimates ranges above 12,000.

Building

Building in Daly City has been extremely active in recent months. City Engineer Castelan last week notified Daily Pacific Builder, building trades newspaper, of increased stimulation in the building industry here. Pacific Builder representatives assured Castelan that they would be happy to list Daly City building permits in the paper and would publish items of local building interest.

JUHS Junior Wins Nat'l Typing Award

Fastest high school typist in the nation, pretty Evelyn Ciemoli, sixteen-year-old Jefferson Union high school junior, was announced winner this week of first place for typing speed in a national commercial contest conducted throughout the entire United States. She made a score of 74 words a minute with only 4 errors, typing for 15 minutes.

Evelyn Ciemoli

A student of Miss A. Dorothy Smith, commercial teacher at Jefferson Union high school, Miss Ciemoli was awarded a gold medal for her outstanding skill and speed. Jefferson Union high school was presented a large blue banner with gold braid and lettering, the official award for typing speed, first place, unlimited class (students with three or more years of typing instruction).

Miss Ciemoli is the daughter of Mr. and Mrs. Peter Ciemoli, proprietors of the Colonial restaurant, 6192 Mission street. She has studied typing for only three

To Graduate Grammar Pupils

Graduation exercises for a class of more than ninety eighth-grade pupils of local grammar schools will be held at 8 p. m. Thursday in the Jefferson Union high school auditorium. Because of crowding in previous years, admission will be by ticket only.

Order of events for the evening will be the presentation of a two-act operetta, "The Toreadors," by members of the class; presentation of scholarship awards by the American Legion, American Legion Auxiliary, and the Woodrow Wilson, Jefferson, and Crocker P. T. A.'s; and the awarding of diplomas by R. L. Crane, district superintendent of schools.

The Record will publish an official list of graduates in next week's issue, following the completion of final examinations and announcement of awards.

DALY CITY RECEIVES HIGH HONORS

Approximately 1000 Local People Attend County Day

Daly City "took the island" Sunday at San Mateo County Day on Treasure Island. Jefferson Hi Indians of Rhythm, directed by Dante P. Lembi, were popularly acclaimed top feature entertainment of the day. So delighted were fair officials with the Indians of Rhythm that they invited the local high school jazz band to a return engagement and suggested that a Daly City Day on Treasure Island be arranged.

Miss Rose's Daly City Juvenile Drill team won first place for parade entries and was awarded a twelve-inch gold cup. More San Mateo County Day buttons (nearly 1000) were sold in Daly City than were sold in any other peninsula community. "All in all," as Mayor Paul G. Selmi aptly put it, "It looks as if representatives from our community really took the honors."

Participating in the elaborate all-day program of special events for San Mateo County Day at the Fair were more than 1100 youngsters and adults, representing practically every organization in the county. More than 30,000 San Mateo flowers were distributed to Fair visitors during the day.

Starting at divergent points on the Island and converging before the California State building, four

MAYOR URGES OBSERVANCE OF FLAG WEEK

In line with civic and patriotic organizations throughout the United States, Mayor Paul G. Selmi this week announced the observance of national Flag Week.

He suggested that local merchants and residents display the national colors throughout the week. Tomorrow, June 14, is national Flag Day.

In observance of flag week, M. Jensen, of Mount Olivet Memorial Park, has prepared attractive pamphlets for distribution to young people. Pointing out that the youth of today are the citizens of tomorrow, Mr. Jensen has published in his "Tribute to the Stars and Stripes" a short history of the flag, an original patriotic poem, and a short and eloquent essay.

His words well express the sentiment of national Flag Week. "The flag of the U. S. A. is not just so much silk or bunting—nor a piece of cloth fashioned by human hands. It is a symbol of pulsing, throbbing humanity; aglow with immortal hopes, exuberant with love and dreams. It is . . . nurtured by sacrifice and great endeavor . . . emblematical of the homes of people who believe in an atmosphere of Freedom, Liberty, and Equality."

parades began the official program for the day.

As they met, and official ceremonies got under way, a new flag floated over Treasure Island —the recently created banner of San Mateo county, hoisted for the first time. The event was a colorful and inspiring feature of the celebration.

All units were then marched to a formation in the Court of the Nations, facing a grandstand on which visiting officials and representatives of the Exposition and the State participated in a welcoming ceremony with George Davis, chairman of the day's committee, as master of ceremonies.

Following the ceremonies the uniformed drill teams staged exhibition drills in the Court of the Nations before a crowd that packed the vast area.

Winners of first place in the parade entries for the entire county, Miss Rose's Juvenile Drill team was wildly applauded by Fair crowds. Ranging in age from 8 to 16 years, the children were dressed in red, white, and blue, with smart white boots and hat, and a white cane trimmed in ribbons of the same colors. Personnel of the team is: Miss Rose,captain; Henry Montano, first lieutenant; Bob Montano, second lieutenant; Tom Brandt, flag bearer; Robert Hahn, banner bearer; Lorraine Remmer, Margy Maddos, ensand, banner escorts, and Baby Carol Benedetti, mascot. Drill girls are June Blecher, Gloria Bella, Violet Sanderson, Alba Canale, Phoebe Remington, Dorothy Peterson, Shirley Remmer, Anna Marie Domecus, Eleanore Benedetti, Mary Lou Montano, Beverly Appleton, June Peterson, June Brandt, Ruth Sanderson, Betty Conroy, Dorothy Langensand, and Doris Hahn. Drill boys are Earl Lutzker, Ernest Domecus, and Richard Hankerson.

Entertainment continued at a rapid pace throughout the afternoon, climaxed at 6:15 p. m. in the ballroom of the California building by the appearance of Daly City's famous swingsters, the popular Jefferson Hi Indians of Rhythm. Before a wildly enthusiastic audience of more than 2000 Fair visitors the Indians of Rhythm presented a full hour's stirring entertainment under the direction of their leader, Dante P. Lembi.

Complete program for the afternoon, making Daly City's participation in San Mateo county day such a spectacular triumph, included numbers by the band, and specialty numbers by Gerald Robertson, Bob Nelson, Lawrence Bos, Barbara Foreman, Bob Edell, Julia Yonan, Ralph Shinazy, Shirley Allen, the Vernazza Fam-Helen Hankerson, and Joe Langily (James, Joseph and Lorraine), Willard Mitchell, Barbara Davis, Anita Moorehouse, Al Marcucci and the Crawford Sisters (Ferne and Ruthe).

A grand ball in the California building was the concluding feature of the day's events. Admittance being the possession of San Mateo county buttons, it is safe to say that Daly City had more representatives at the affair than any other community in the county. According to H. G. King, local representative for San Mateo county day, a total of nearly 1000 buttons was sold in Daly City, more than in any other town on the Peninsula.

At least 50,000 persons will be able to hear the 4500-voice chorus concerts to be given at the New York World's Fair.

Leader Cites 1939 Biggest Year For Buick Cars

The uninterrupted high delivery rate of Buicks on the Pacific Coast and throughout the country is making this one of the biggest Buick years in history, according to Peter S. Steenstrup, Pacific regional manager of the Buick Division of General Motors.

Mr. Steenstrup, who has just returned from a tour of Buick dealerships in the State, stated that sales of Buick cars in California last month were 14 per cent above April and 27 per cent higher than in May of last year.

Reflecting a stable automotive market, word comes from the Buick factory at Flint, Michigan, that domestic retail sales of Buick cars in the United States last month totaled 19,730 units, which brings the volume of sales to more than 62,000 Buick cars in the last ninety days, the Buick executive said.

"At the same time, that new Buick sales are holding high levels, the used car volume also is running correspondingly strong," he asserted. "Used car sales by Buick's national dealer organization in May were 37,651 units, a new all time high.

"With deliveries comparable to the best years in the company's experience, Buick continues to hold fourth place in national new car registrations. This means that Buick has been outsold nationally by only the three lowest priced cars.

"Not one month, but every month since new model cars were announced last fall, Buick has held this same sales standing with a total of 144,837 units."

Alex Cameron, Peoria street, and Harry Hutchings, Miriam street, attended the state convention of the Order of Eagles at Santa Cruz over last week-end.

Charles Augustien, Evergreen avenue, made a trip to Santa Cruz with the naval reserves on the Eagle, over last week-end.

Vacation Time Is Auto Time

Vacation time is automobile time. More cars are on the highways now than at any other time of year. Daly City automobile dealers urge vacationers to have their cars thoroughly checked before taking summer trips. "You can really enjoy your vacation more in the security of knowing you'll get topnotch performance from your car," dealers say.

Figures Show Studebaker Gains

Pacific Coast sales and production figures for Studebaker again show substantial gains over April and May of last year, according to a statement just released by C. K. Whittaker, president of the Studebaker Pacific corporation.

April retail deliveries for the seven western states, which are under the Pacific Coast factory in Los Angeles, were 101.6 per cent ahead of retail sales for April, 1938.

Production schedule at the western plant for May was set at 1200 cars, which is over three times as many cars as were produced during May last year.

"These advances in production and sales can be attributed to the increasing popularity of the 1939 Studebaker Commander and President as well as the natural increases caused by the introduction of the new Studebaker Champion, latest full sized car to enter the lowest price field," Whittaker said. "The enthusiastic acceptance of the new Champion by our dealers and the motoring public has been very encouraging."

Local Garage Purchases New Tow Car

Recently purchasing a new tow car, thoroughly equipped to meet any highway need, Rang and Cochran's Garage, 6601 Mission street, has improved its capacity to serve the motoring public.

The garage is official AAA station for Daly City, Colma, and Lawndale, and the coast territory as far south as Pedro Point. Rang and Cochran have been established at their present address for one and one-half years.

Mr. and Mrs. Kenneth Hayden, Winchester street, celebrated their second wedding anniversary Saturday evening with a group of friends. They enjoyed dinner at Topsy's Roost and dinner dancing at the Mark Hopkins hotel.

Who Wants to be Lazy with *THIS* one Around?

SUMMER'S COMING! Warm sun—deep shade—buzzing bees—long, lazy days inviting you to take it easy!

Gonna fall for that? Well, maybe—if that car in your driveway is just a run-of-mine job. But suppose it's a Buick—then what?

Then, good sir, you're in for an *active* summer of honest-to-goodness *fun!*

You'll boss around a brilliant Dynaflash straight-eight engine as thrilling to handle as a flyrod—you'll be as comfortable as in your favorite hammock, in seats that are fashioned to fit your frame.

You'll explore the little-traveled back trails—and soft springs of *coiled* steel will cradle every jolt and jar.

Yes, you'll pilot a carriage that's staunch and snug and firm beneath you—yet every nudge of your treadle foot gives instant-quick *action* that'll bring a grin of deep delight.

And this far-ranging beauty is not only the car of the year for performance, but the *value* of the year for smart buyers. It's priced lower than a year ago—lower than you'd think to see it—lower even than some sixes!

And when you check all of the standard items that you're asked extra for elsewhere, you find that Buick costs less in the end even than some cars with *lower* advertised prices!

1 OUT OF 4 IS A "STEP UP" We've just done a little figuring, and it adds up to this: One Buick out of every four bought by people who formerly owned some other make of car is bought by someone who stepped up from the lowest-price field. Isn't that a good sign *you* could afford to step up and step out this year?

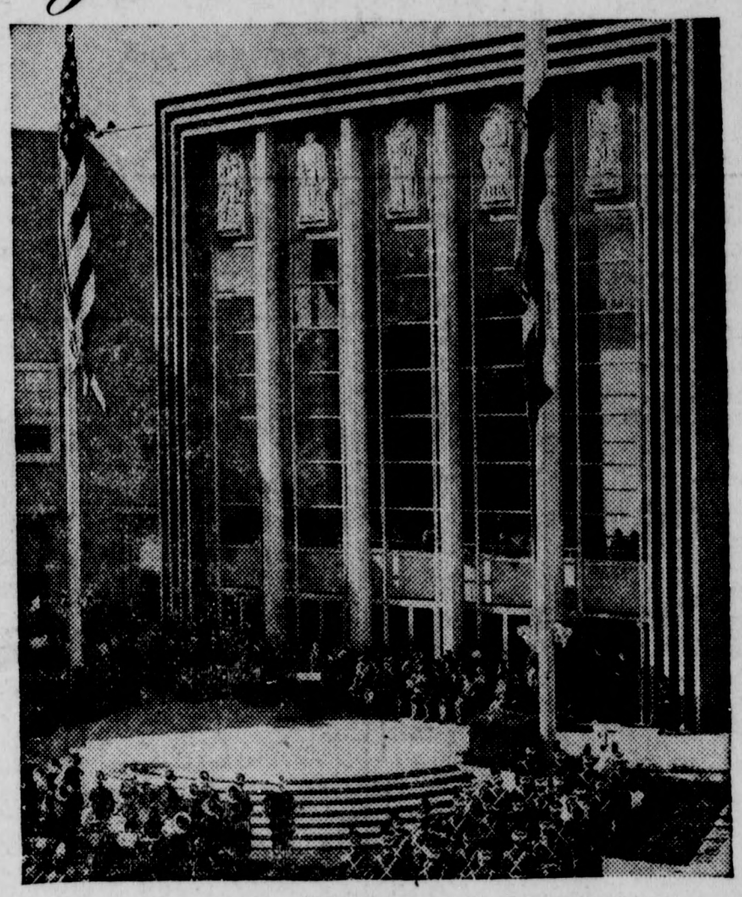
COME AND SEE *Your* WORLD'S FAIR



COURT OF THE CALIFORNIA BUILDING ON TREASURE ISLAND

● The citizens of California are by far the largest exhibitors at the Golden Gate International Exposition. Your participation in this magnificent pageant represents an outlay of more than six million dollars. In the sixteen State and Counties buildings you will find displayed all the wonders, the resources and the culture of mighty California.

● Beauty and scope caused Governor Culbert L. Olson to say: "California is so vast and so magnificent many of our citizens never realize that all of the world's wonders are within our own borders. Here, within walking distance, we can see and appreciate the full bounty nature gave us. It is truly inspiring."

● Complete to the last detail, *your* World's Fair is conceded to be the greatest in history. It awaits *your* approval.

1939 De Soto Models Gain Favor With Purchasers Throughout U. S.

Long, sleek and distinctly modern in appearance, the new De Sotos for 1939 on display in dealer showrooms all over America are gaining daily in public popularity.

De Soto has said "goodbye" to old-fashioned trunk "bustles" with the introduction of a new streamlined luggage locker that is even bigger than last year's trunk, but is completely concealed within the long, tapering streamlined body.

The front-end of the new De Soto is big and massive, with wide-range safety headlamps set flush in the front fenders to completely identify the full width of the car to oncoming drivers at night.

Beautiful streamlining blends the fenders, catwalks, hood and distinctive chromium radiator grille into one unit, with the same smoothly flowing contours that airplane designers have achieved in the functional design of big airliners.

New colors have been added in a new kind of body and sheet metal finish called "Durasheen." which has a very high lustre and will retain its brilliance under hot sunlight and other difficult weather conditions.

De Soto is shown locally by James E. Donahue, 6259 Mission street.

ship the present priest rectory was constructed, the church was decorated and improved. In 1933 the parish school of Our Lady of Perpetual Help church was built and equipped. Father Donohue thus made available to his parishioners the opportunity to give their children a Catholic education—an education which means more to the Catholic heart than mere words can express.

Failing health has now made it necessary for Father Donohue to bring to a close his long years of painstaking labor in the service of the Church. He will be missed not only by the members of his own flock for whom he has done so much, but also by a host of friends to whom he has endeared himself in the community at large. Father Donohue will live always in the memories of those who knew him as the Irish "soggartaroon"—priest of their hearts.

The National Gallery of Art in Washington has broken its strict rule against lending masterpieces and has announced that it will send three world-famous paintings from the Mellon collection to the New York World's Fair. The pictures are Rembrandt's portrait of himself, dated 1659; Frans Hals' "Old Lady Seated" and Terboch's "Gentleman Greeting a Lady."

"Sergeant Madden" Attraction At D. C.

Son of a Policeman, Wallace Beery Now Enacts One in Pulse-Ringing Drama of Cop Who Is Forced to Trap His Own Son in Line of Duty

Tom Brown and Wallace Beery in "Sergeant Madden"

Son of a Kansas City policeman, Wallace Beery plays his first police characterization in the title role of "Sergeant Madden," story of the New York police which opens Thursday at the Daly City theatre.

With Beery typifying one of "New York's Finest," Alan Curtis appears as his son, a rookie cop who attempts to win promotion by "smart" short cuts and thus runs afoul of the law he is sworn to represent. Then it becomes the father's duty to put a halt to the criminal career of his own son.

Tom Brown is seen as Beery's adopted son who idolizes his foster-brother but is true to the ideals of his foster-father. And Laraine Johnson is the Irish waif whom Beery makes his adopted daughter. After she marries Curtis she finds herself unwittingly sharing the life of a criminal.

Adapted from an original story, "A Gun in His Hand," by William A. Ulman jr., "Sergeant Madden" was given authentic backgrounds of New York's lower west side and pictures in detail the work of the New York police department, taking audiences behind the scenes to show the training given. Val O'Toole, for sixteen years a member of the department, served as technical adviser.

Companion feature on the new bill will be "Fast and Loose," starring Robert Montgomery.
